## New York Stock Exchange

New York, May 14.—The stock market,  
to-day, was very dull, except during the  
first hour, and while the general drift of  
prices was upward in the morning, they re-  
acted later in the day. Trading was more  
uninteresting than on any day during the  
past month, and, outside of a few shares,  
there was no movement of any kind. The  
closing prices are about equally divided be-  
tween fractional losses and gains.  
Governments, quiet, strong.

## Petroleum

New York, May 14.—Petroleum was  
more active and after opening steady at  
86½, became stronger and advanced to 87½.  
A sharp reaction then carried the price  
down again, but it rallied on light buying  
and closed firm at 87½. Consolidated ex-  
change—Opening 86½, highest 87½, low 86½,  
closing at 86½. Total sales 1,053,000  
barrels.

## The Boisterous Atlantic

is a terror to timid voyagers, scarcely  
less on account of the perils of the deep  
than the almost certainty of sea sick-  
ness. The best curative of mal de mer  
is Hostetter's Stomach Bitters, which  
settles the stomach at once and prevents  
its disturbance. To all travelers and  
tourists, whether by sea or land, it pre-  
vents a heavy sea-sickness between the  
nauseous or ineffectual resources of the  
medicine chest, and the problematical  
benefit derivable from an unmediated  
alcoholic stimulant, no matter how  
pure. The jarring of a railroad car  
often produces stomachic disorders  
akin to that caused by the rolling of a  
ship. For this the Bitters is a prompt  
and certain remedy. The use of brack-  
ish water, particularly on long voyages  
in the tropics, inevitably breeds disorders  
of the stomach and bowels. Hostetter's  
Stomach Bitters mixed with pure  
water nullifies its impurities. Similarly  
it counteracts malarial and other prej-  
udicial influences of climate or atmos-  
phere, as well as the effects of exposure  
and fatigue. Use it for kidney com-  
plaints, rheumatism and debility.

In delicate health, and all who suffer  
from habitual constipation, will find  
the pleasant California liquid fruit  
remedy, Syrup of Figs, more easily  
taken, and more beneficial in effect  
than any other remedy. It acts  
promptly yet gently on the bowels.  
Kidneys, Liver, and Stomach, and does  
not sicken or debilitate. For sale by

vantage of the many bargains offered

Mr. N. R. Frohlichstein, of Mobile,  
Ala., writes: I take great pleasure in  
recommending Dr. King's New Dis-  
covery for Consumption, having used it  
for a severe attack of Bronchitis and  
Catarrh. It gave me instant relief and  
entirely cured me and I have not been  
afflicted since. I also beg to state that  
I had tried other remedies with no good  
result. Have also used Electric Bitters  
and Dr. King's New Life Pills, both of  
which I can recommend.  
Dr. King's New Discovery for Con-  
sumption, Coughs and Colds, is a
